Mohammed Saed

Dear Mohammed,

As you are aware, part of the employment onboarding process for Leaf Home includes satisfactory completion of a standard background check through a third-party vendor. This background check is still in process as of the date of this letter.

To facilitate an expedient hiring, onboarding, and training process, the Company is approving your eligibility to start employment while the background check is still pending completion. Should your background check return an adverse result that does not meet company hiring eligibility guidelines you will be informed as soon as administratively possible. In this event, your employment with the Company will be terminated.

Please indicate your agreement with these terms and accept this offer by signing below and returning.
