Support Letter for Mr. Mohammed Saed Sidibe

From the President, Ghanaian-Canadian Association of Calgary (GCAC)

To Whom It May Concern,

I am pleased to write this letter in support of **Mr. Mohammed Saed Sidibe**, a dedicated volunteer whose contributions to the Ghanaian-Canadian Association of Calgary (GCAC) and the broader Alberta community have been commendable.

Mohammed has been actively involved in community service initiatives, including volunteering for the **Alberta Highway Cleanup** and supporting the **GCAC Stampede Breakfast**. Through these efforts, he has shown initiative, teamwork, and a willingness to serve, making a positive impact not only on our association but also on the community at large.

He approaches every responsibility with commitment and dependability. Whether assisting with large-scale events or contributing to service projects, Mohammed consistently demonstrates maturity, reliability, and a cooperative spirit. His readiness to step in where needed and his respectful demeanor make him a valued member of our volunteer team.

What stands out most about Mohammed is his sense of responsibility and service. He is not motivated by recognition but by a genuine desire to contribute meaningfully. His actions reflect qualities of leadership, humility, and perseverance—traits that will serve him well in his academic pursuits and future endeavors.

As President of GCAC, I can attest that Mohammed's involvement has strengthened our programs and left a lasting impression on those he has worked with. He is an excellent example of how young people can use their time and talents to uplift their community.

For these reasons, I strongly recommend **Mr. Mohammed Saed Sidibe** for scholarship support. I am confident that he will continue to excel academically while remaining committed to community service and leadership.

Sincerely,

Vida Ghunney(Princess Effe)
President
